PT4 2x1 **\$\$\$**\$

PT5 2x1 **\$\$\$**\$

The textures and colours are accurate as much as photographic and printing allows. Always check the actual sample instore for a more accurate representation.

## Wintons Teak\* OUTDOOR WICKER POLYTWIST

Wintons Teak uses only the best outdoor wicker made from quality high-density polyethylene (HDPE). Compared to commonly used polypropylene and lower density polyethylene, HDPE is never brittle and will retain its shape. A good outdoor wicker should also retain its colour and texture overtime. At Wintons Teak we guarantee all of our outdoor wicker furniture will last for a minimum of 3 years.
